LB 372, 1117, 762  
LR 361-367

SENATOR WARNER: Well I just want to make it clear, I don't know what anybody else is doing, but this is not a political matter with me. I think it is poor policy and I don't care who is for it or against it for whatever reason, and to suggest that some of us are opposed to it on that basis is utter nonsense, untrue. That is all I have to say.

PRESIDENT: The Chair considers the issue closed. The motion is to advance LB 1117. All those in favor vote aye, opposed vote no. The Chair will allow 30 seconds for recording of votes. The House remains under Call, of course. 20 seconds, 10 seconds to record your vote on the advancement of LB 1117. Please record your vote. Have you all voted? The Clerk will record.

CLERK: 26 ayes, 14 nays, Mr. President, on the motion to advance LB 1117.

PRESIDENT: LB 1117 is advanced from Select File. The Clerk has matters to read into the Journal. First of all the Chair would like to announce that Senator Carsten has guests in the north balcony. They are 35 kindergarten through eighth grade students from Nebraska City elementary school in District #31, Nebraska City, with Bev Luna and Carol Pasco as teachers who are accompanying them. We hope that you are finding the experience in watching our procedure this morning educational. We welcome you to the Legislature. LB 762.

CLERK: Mr. President, well, if I may right before that.

PRESIDENT: Yes, excuse me, Mr. Clerk. Go ahead.

CLERK: Study resolutions. (Read by title for the first time, LR 361-367 as found on pages 2022-2027 of the Legislative Journal.)

Senator Landis would like to print amendments to 372 in the Journal, Mr. President. (Amendment printed separate from the Journal and on file in the Clerk's Office.)

PRESIDENT: LB 762.
